WHEREAS, the Little Rock Police Department needs fifteen (15) radios for Police patrol units for essential law enforcement and as a part of the standard upfit package for each patrol vehicle; and,

WHEREAS, Motorola has submitted a quote for the purchase of fifteen (15) portable radios for police patrol units, in an amount of Sixty-Four Thousand, Two Hundred Thirteen and 65/100 Dollars (\$64,213.65);

Section 1. The Board of Directors finds that it is impractical and unfeasible to bid and, therefore, authorizes the City Manager to dispense with competitive bidding and enter into a contract in the amount of Sixty-Four Thousand, Two Hundred Thirteen and 65/100 Dollars (\$64,213.65), with Motorola, Inc., as the sole-source provider for the purchase of fifteen (15) Motorola portable police radios for Little Rock Police Department patrol units.

Section 3. Severability. In the event any title, section, paragraph, item, sentence, clause, phrase, or word of this ordinance is declared or adjudged to be invalid or unconstitutional, such declaration or adjudication shall not affect the remaining portions of the ordinance which shall remain in full force and effect as if the portion so declared or adjudged invalid or unconstitutional were not originally a part of the ordinance.
